Aromatic Compress Blends

15ml

Aromatic compressing assists in the skin's natural exfoliation process. These exquisite blends of pure essential oils combine to soften the skin and indulge the senses.

- **Dry/Mature:** *Palma Rosa, True Lavender, Clary Sage, Sandalwood.*
- **Normal/Sensitive:** *Rosewood, True Lavender, Geranium-Rose, Roman Chamomile*
- **Oily/Problem:** *True Lavender, Bergamot Calabrian, Cypress, Juniper Berry Extra*

Refining Mineral Scrub

60ml

Refining Mineral Scrub has an effective formulation of pure volcanic minerals that assist the skin's natural exfoliating process, green clay with intense drawing effects on toxins within the body, and powerful anti-bacterial and healing essential oils. These ingredients combine to create a unique, active, exfoliating formula. Refining Mineral Scrub assists in the prevention of breakouts by keeping pores clear. Its light cream base helps to soften, refine and revitalise the skin.

Soothing Crème Cleanser

60ml

Soothing Crème Cleanser is a complete facial cleanser. It contains the finest botanical extracts, rich in essential fatty acids and vitamins, which provide highly effective moisturising and cleansing properties. The pure essential oils of organic lavender and spike lavender work synergistically to cleanse, soothe and care for the skin. Soothing Crème Cleanser is an excellent make-up remover.

Purifying Facial Wash

125ml

Purifying Facial Wash is a blend of pure essential oils, cold pressed nut oils, pure floral hydrosols and botanical extracts that combine with an olive and coconut cleanser to create a deep cleansing facial wash. The addition of purifying essential oils makes this an excellent cleanser for normal, oily or problem skin and those who prefer an oil free formula. This lightweight cleanser is highly recommended for men.

Floral Hydrosols

100ml

True Floral Hydrosols containing water soluble aromatic compounds are the base for these soothing, alcohol free toners. Their gentle formulations will remove surplus oil/cleanser from the skin, leaving it feeling fresh and clean. Their divine aromas are calming and uplifting.

- **Rose (Normal/Sensitive):** *Rose F.H., Rose Geranium*
- **Neroli (Normal/Dry):** *Neroli F.H., Sweet Orange, Petitgrain*
- **Grapefruit (Oily/Problem):** *Orange F.H., Grapefruit, Bergamot*

Hydrating Mist

50ml

Hydrating Mists are refreshing and uplifting skincare treatments that contain True Aromatic Hydrosols enriched with vitamins, organic aloe vera, green tea, marshmallow, chamomile, calendula and pure essential oils. Hydrating Mists are an excellent way to soothe and hydrate the skin and assist in the prevention of facial dryness. Hydrating Mists can also be beneficial to counteract the drying effects of summer, wind, air-conditioned/heated environments and air travel.

- **Ylang Ylang:** *Balancing/Soothing*
- **Rosemary:** *Stimulating/Toning*
- **Spearmint:** *Refreshing/Cooling*

Hydro-Balance

60ml

Hydro-Balance is a light, non-greasy, penetrative moisturiser that hydrates and restores balance to the skin. Organic peach kernel, rosehip and calendula oils and pure damask rose hydrosol combine with specially selected essential oils to soothe, balance and hydrate the skin. Suitable for all skin types, particularly those who prefer a lighter formulation.

Moisture Plus

60ml

Moisture Plus is a rich, nourishing moisturising cream that replenishes and hydrates the skin. Its highly effective formulation includes organic jojoba, avocado and evening primrose oils, african shea butter and carrot extract. A synergistic blend of pure essential oils with powerful anti-ageing and antioxidant properties is an essential part of the formulation. The penetrative nature of Moisture Plus makes this the ultimate treatment cream for dry, mature, and environmentally damaged skin.

Skin Renewal Serum

20ml

Skin Renewal Serum is blended from the finest organic plant oils, soluble vitamins and specially selected essential oils. Its powerful formulation helps to nourish, soothe, moisturise and rejuvenate the skin. Use on its own or in combination with Moisture Plus for intense nutrition.

Active Blemish Gel

50ml

Active Blemish Gel is a powerful blemish treatment that contains an organic blend of organic herbal extracts and specially selected essential oils in a pure aloe vera gel. The soothing and moisturising properties of marshmallow and chamomile help to keep the skin moist while the antibiotic, anti-bacterial and anti-inflammatory properties of aloe vera, chamomile, calendula and essential oils work to reduce inflammation and promote healing

SOS Hand Crème

60ml

SOS Hand Crème is a complete skin care product for the hands. It supports the healing, nourishment and moisturising of the skin and nail bed as well as aiding in the protection of hands against everyday exposure to dirt, detergents and the environment. Enriched with organic hemp seed oil, mango and cocoa butters, and specially selected herbs and essential oils to replenish, heal and condition the hands.

Total Foot Care

60ml

Total Foot Care is a complete foot care treatment for tired and neglected feet. Highly nourishing oils such as hypericum and calendula have been chosen for their significant healing properties while those of rosemary, myrrh, peppermint and lemon tea tree have beneficial skincare properties as well as a crisp, clean and invigorating aroma.

Organic Hair Complex

100ml

Organic Hair Complex is a specialised blend of organic coconut oil, organic jojoba oil and pure essential oils of rosemary, cedarwood atlas and sage which combine to create a superb hair treatment oil. Hair treatment oils are an excellent way to help keep the hair and scalp in optimum condition.

Essential Pregnancy Massage Oil

100ml

Essential Pregnancy Massage Oil is a specially formulated blend of true lavender, mandarin and roman chamomile essential oils in a luxurious organic plant oil base. This nurturing oil will assist in maintaining nourishment and hydration of the skin throughout pregnancy.

Precaution: It is recommended that pregnancy massage oils not be used until after the first trimester of pregnancy.

Pure Bliss Eye Pillow

Pure essential oils of true lavender, mandarin and javanese vetiver with botanicals of organic linseed and lavender flowers are cocooned in soft blue satin to create this beautiful eye pillow. The soft, silky feel of satin and the sweet, tranquil scent of aromatherapy's most "peaceful" essential oils work in synergy to promote pure bliss.

Solace Therapies' "Aromatika" is created from a synergy of some of nature's purest ingredients. Formulations include organic and cold pressed virgin oils, organic herbal extracts and aromatherapy's most exquisite essential oils.

Essential oils are the aromatic essences derived from the flowers, stems, leaves, roots, bark or even the entirety of a plant. As concentrated extracts from specific plants, they are one of the most important active natural ingredients in skin care today. Each oil has unique qualities that react with the body's chemistry having powerful physiological and psychological effects which, when used correctly, help to nourish, strengthen and rejuvenate the skin, energise and revitalise the body and nurture and uplift the mind.

*Solace Therapies products do not contain any toxic ingredients, mineral oils, phosphates, petroleum by-products, propylene glycol, polyethylene glycols (PEGs), artificial emulsifiers, synthetic fragrances, artificial preservatives, artificial colours, synthetic additives or animal products.
Solace Therapies products are not tested on animals*

Every ingredient used in Solace Therapies Skincare has been sought out for its superior effectiveness and quality, from the certified organic beeswax sourced from the pristine forest regions of Western Australia to volcanic pumice from the Lipari Islands, to sun dried clays from Argilitz in France to intense organic minerals from Northern Queensland

Solace Therapies Skincare is created in Perth, Western Australia. It is prepared in small batches to ensure the optimum quality, freshness and effectiveness of each product. Where possible the products are packaged in recyclable amber glass jars and bottles to maintain the integrity of the pure ingredients.
